

United States Senate

April 6, 2023

The Honorable Patty Murray
Chair
Senate Appropriations Committee
Washington, DC 20510

The Honorable Susan Collins
Vice Chair
Senate Appropriations Committee
Washington, DC 20510

The Honorable Brian Schatz
Chairman
Senate Appropriations Subcommittee
on Transportation, Housing and
Urban Development, and Related
Agencies
Washington, D.C. 20510

The Honorable Cindy Hyde-Smith
Ranking Member
Senate Appropriations Subcommittee
on Transportation, Housing, and
Urban Development, and Related
Agencies
Washington, D.C. 20510

Dear Chair Murray, Vice Chair Collins, Chairman Schatz, and Ranking Member Hyde-Smith,

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2024 Subcommittee on Transportation, Housing and Urban Development, and Related Agencies, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate.

Sincerely,

Tina Smith
United States Senator

**Smith, Tina(D-MN) Transportation Housing and Urban Development
Congressionally Directed Spending Requests**

Recipient Name	Project Purpose	Project Location	Amount Requested (\$000)
City of Aitkin	This is to replace a deteriorating bridge that crosses the Ripple River in City Park and building a bridge to provide pedestrian access to the Tibbetts Park property which is currently difficult to access.	Aitkin MN	\$1,379
City of Aitkin	The project is to mill and overlay a significant portion of Bunker Hill Drive, including repair to the storm water structures that re currently in place. It would also rebuild an 800-foot segment of road and install storm sewer toward the railroad tracks to provide positive drainage of the roadbed.	Aitkin MN	\$1,115
MN Department of Transportation	The purpose of this project is to extend the serviceable life of this segment of the highway by rehabbing the bituminous surface.The project segment is County State Aid Highway 22, from CSAH 25 to Trunk Highway 53 in Alango & Angora Townships.	Alango & Angora Townships MN	\$1,200
City of Apple Valley	The project goals include constructing an inclusive playground and associated support facilities.	Apple Valley MN	\$3,418
MN Department of Transportation	This project will Reconstruct and overly existing pavement on 13 street, a 10-ton roadway from Hwy 34 to 4th Ave NE to allow for increase in use of the City of Barnesville Commercial Zoning District.	Barnesville MN	\$2,550
Minnesota Department of Transportation	The project would be a valuable use of taxpayer funds because it improves the safety and mobility of the users of the state's transportation system, and to eliminate existing dangerous conflicts between vehicles, trucks, rail, and pedestrian traffic.	Becker MN	\$3,850
Nameless Coalition for the Homeless	This project will help to replace the flooring and paint both interior and exterior walls of both shelters. They will also install a wheelchair lift, showers, laundry facilities, and bathrooms as well as repaving their parking lot and turning 40% into green space.	Bemidji MN	\$200
Beltrami County Housing and Redevelopment Authority	Around 1/4 households in Beltrami Co. are considered cost-burdened. Beltrami Co. is currently reporting there are shy of 1000 extremely low-income households in need of affordable housing units than there are available units.	Bemidji MN	\$250
The Wave Youth Center	The Wave Youth Center of Big Lake seeks to construct a new facility to address the growing needs of youth in the community, expand programs and mentoring, and provide necessary resources providing a facility with the right tools, technology, and space.	Big Lake MN	\$1,800
MN Department of Transportation	The project will construct a grade separated intersection to improve the flow of traffic, expand access for multiple modes of transportation, and improve safety for vehicles traveling along and across the highway corridor, as well as safe bike and pedestrian passage.	Blaine MN	\$4,000

Relationship Safety Alliance	This project will construct the Relationstion Safety Alliance Campus which will expand the support provided to more domestic violence victims/survivors in Region 5. The Campus will include private apartment-style shelters to accommodate the changing demographic of those served.	Brainerd MN	\$3,000
CAPI USA	To expand its Immigrant Opportunity Center and establish new entrepreneurship and wealth building services in Brooklyn Center.	Brooklyn Center MN	\$1,000
Aeon	Huntington Place is a Naturally Occurring Affordable Housing property in Brooklyn Park. This project supports improvements to help the long-term stabilization of this property by updating units, updating community spaces, and updating systems such as water leaks/pipes.	Brooklyn Park MN	\$4,000
City of Brooklyn Park	This project would expand the Zanewood Center to better serve teens and includes space and amenities to serve young people and families. With the construction of this facility, Brooklyn Park can better serve the needs of its multi-cultural and lower-income community.	Brooklyn Park MN	\$4,000
Second Harvest Heartland	Replace sections "C" and "E" of our roof (approximately 108,940 square feet) and convert it from an "Asphalt Built-Up" roof to a "Fully Adhered EPDM" roofing material.	Brooklyn Park MN	\$1,400
Minnesota Valley Transit Authority	The Technology and Customer Amenities project includes implementing, upgrading, and expanding innovative elements across MVTA's 139 square mile service area.	Burnsville, Apple Valley, Eagan, Savage MN	\$1,763
MN Department of Transportation	The County is requesting funding to help make up the shortfall in funding so that CSAH 61 can be reconstructed to increase the corridor safety and mobility for vehicles, bicycles and pedestrian traffic.	Carlton Co. MN	\$2,000
City of Carver	The purpose of this project is to bring the existing Carver Levee up to current Federal Emergency Management Agency certification levels in order to protect the city's vitality for future generations, protect historical sites, and to increase the safety for Carver residents and visitors.	Carver MN	\$3,000
MN Department of Transportation	Carver county requests funds to address a two-lane gap on State Highway 5 in Chanhassen and Victoria that is plagued with congestion, and severe and fatal crashes.	Carver Co. MN	\$7,000
MN Department of Transportation	Carver County respectfully requests funds for the US 212 Rural Freight Mobility and Safety Project. The Project will expand approximately five miles of US Highway 212 from a rural two-lane undivided highway to a four-lane divided expressway from City of Cologne to the City of Norwood Young America.	Carver Co. MN	\$6,000
MN Department of Transportation	The City of Victoria requests funds to address a two-lane gap on Highway 5 in Chanhassen and Victoria that is plagued with congestion, and severe and fatal crashes.	Carver County MN	\$7,000
Leech Lake Band of Ojibwe	This project would renovate and expand the Veterans Memorial Building. The 7,500 square foot building is used for community functions, including funerals for tribal veterans, celebrations, and cultural events. The building is in need of repairs and additional space.	Cass Lake MN	\$2,851

Minnesota Department of Transportation	The City of Champlin and City of Brooklyn Park are proposing the reconstruction and expansion of 109th Ave N, including roundabout construction; turn lane, median, traffic signal, ADA, and crosswalk improvements at three intersections; and construction/reconstruction of facilities for people walking	Champlin MN	\$3,500
MN Department of Transportation	This project will expand an 8 mile section of US 8 to 4 lanes as opposed to 2. This project will address congestion and mobility concerns. It will also consolidate the number of access from 60 to 8 and add a bike/pedestrian trail which would address safety concerns.	Chisago County MN	\$5,000
Minnesota Department of Transportation	Funds are requested to address vital water and sanitary sewer main improvements, storm water needs, and replace the lift station.	Chisholm MN	\$750
MN Department of Transportation	The purpose of this project is to extend the serviceable life of this segment of highway by rehabbing the bituminous surface. The project segment is County State Aid Highway 115 from Trunk Highway 53 to County Road 418.	City of Cook and Field, Beatty, & Greenwood Townships. MN	\$2,500
Southern Anoka Community Assistance	SACA is a food shelf in Columbia Heights that provides services in Anoka County and NE Minneapolis. We are seeking funding to cover the cost of replacing the roof on the facility.	Columbia Heights MN	\$246
City of Corcoran	The City of Corcoran, Minnesota, intends to remaster one of the City's main parks to provide recreational opportunities for youth in the area.	Corcoran MN	\$3,500
MN Department of Transportation	This project will construct a new roadway alignment, implement a new railway grade separation, and dramatically reduce public use of an at-grade railroad crossing at the 3M entrance.	Cottage Grove MN	\$3,000
MN Department of Transportation	This project will construct a new roadway alignment and implement a railway grade separation, more evenly distributing regional traffic between the Jamaica and Keats Avenue interchanges on US Highway 61 in the City of Cottage Grove.	Cottage Grove MN	\$3,000
Hammer Residences, Inc.	Hammer Residence provides cost-effective living arrangements for people with significant disabilities. Funding will allow timely modification and safety improvements of Hammer/NER living spaces.	Crystal, Golden Valley, Minnetonka, Plymouth, Wayzata, White Bear Lake, White Bear Lake Twp, Maplewood, Oakdale, Roseville, St. Paul, Shoreview, Hugo, Little Canada, Woodbury, St. Anthony MN	\$859
Twin Cities Habitat for Humanity	TC Habitat is requesting \$800,000 in funding to provide Solar, cold climate Air Source Heat Pumps and water heaters, and electric charging and appliances for 20 homes within Dakota County and the south metro area.	Dakota County MN	\$800
MN Department of Transportation	The Veterans Memorial Greenway will be Minnesota's longest greenway dedicated to veterans, offering a year-round, safe and accessible outdoor space for diverse visitors to enjoy nature, celebrate the state's strong tradition of military service and honor veterans.	Dakota County MN	\$2,300

Hosanna Church - HEART Ministries	HEART is requesting money to fund the vehicles and equipment it needs to serve an additional 17,000 people in Scott and Rice County.	Dakota, Scott and Rice counties MN	\$600
City of Dayton	The City of Dayton, Minnesota, intends to construct safe, all-inclusive, ADA-compliant river access at two points on the Crow and Mississippi Rivers to enhance access to the natural beauty that exists within the City of Dayton and surrounding communities.	Dayton MN	\$3,830
Accessible Space Inc.	ASI is requesting funding for housing infrastructure improvements for residences that are very low income individuals with disabilities. ASI provides accessible, affordable housing with care for very-low income individuals with disabilities, and very-low income seniors and veterans.	Duluth MN	\$1,799
CHUM	Funds will be used for acquisition of property, architectural and design services, site preparation or remodeling, and construction costs.	Duluth MN	\$2,000
Housing and Redevelopment Authority of Duluth	The HRA of Duluth proposes to build a second cottage village community. Funds awarded for this project would be used to cover all costs of the development, including engineering, architecture, permitting fees, and hard construction costs.	Duluth MN	\$5,500
Riverfront Community Development dba West Duluth Community Development aka Spirit Valley Citizens Community Development Association	A centrally located facility on the bus line with early childhood childcare, school readiness, afterschool, and summer programming in Spirit Valley district in the City of Duluth.	Duluth MN	\$1,800
Safe Haven Shelter for Battered Women	Safe Haven Shelter for Battered Women runs a 39-bed, 10-bedroom, 6-bathroom emergency shelter victims of domestic violence. Safe Haven is requesting funding to complete the renovation and expansion of their domestic violence shelter.	Duluth MN	\$750
Second Harvest Northern Lakes Food Bank	Second Harvest Northern Lakes Food Bank seeks funds for renovation of its new facility, including construction of a 10,000 sq. ft. freezer/cooler, accessible program, volunteer and community space.	Duluth MN	\$900
St. Louis County	This project will renovate the Heritage and Arts Center, which is home and host to numerous local arts and history organizations. It provides space from museums, theater performances, music concerts, classes, and more services, including services for individuals with disabilities.	Duluth MN	\$2,750
City of Duluth	This project will convert the Duluth Downtown Library into a regional community center. The Downtown Library was built in the 70's, poorly designed for the needs of today's patrons. 30% of the Hillside neighborhood and 40% of the Lincoln Park neighborhood don't have access to a car.	Duluth MN	\$1,750
City of Cloquet	The City of Cloquet is requesting funding for electrical system replacement at both pump stations and recoating of the two at grade reservoirs on the Lake Superior Waterline. Preliminary engineering for these improvements is complete.	Duluth MN	\$6,500

One Roof Community Housing	One Roof Community Housing is proposing to modernize its energy usage for both its affordable single-family homes and its affordable multi-family developments.	Duluth and North Eastern Minnesota MN	\$1,000
Minnesota Valley Transit Authority	The Eagan Transit Station electrification project will provide new electric charging amenities and improvements that will enhance the sustainability and safety of ETS.	Eagan MN	\$1,080
MN Department of Transportation	The purpose of this project is to extend the life of this segment of highway by rehabilitation of the bituminous surface. The existing roadway is deteriorating on the driving surface with extensive cracking and minor potholes.	Ely and Morse Township MN	\$1,200
MN Department of Transportation	The project includes construction of an unbalanced roundabout at the intersection of US 53 and Park Ave/Progress Pkwy. The design will maintain two lanes of traffic through the roundabout for both directions of US 53 and one lane traffic through the roundabout for both directions of side streets.	Eveleth MN	\$1,600
City of Excelsior	Funding for a much needed water treatment improvement project.	Excelsior MN	\$4,080
City of Fairmont	The City of Fairmont is planning to construct a new community center. Funds will be utilized for the design, construction and equipping of the community center. The City hopes to house a pool, field house, meeting space, ice rink, and fitness space to host countless community events in the region.	Fairmont MN	\$20,000
Community Action Center	Community Action Center is seeking funding for a net-zero energy housing development in Faribault.	Faribault MN	\$3,000
MN Department of Transportation	In 2019, CSAH 1 in the City of Fergus Falls was rerouted on to Tower Road and Fir Avenue to remove it from the downtown area of Fergus Falls, creating delays and longer commute times.	Fergus Falls MN	\$9,657
MN Department of Transportation	The Fond du Lac Band of Lake Superior Chippewa is requesting funding to replace failing infrastructure and create a trail connection from the Black Bear Casino and Resort to the Willard Munger State Trail in Carlton, MN.	Fond du Lac Reservation - Cloquet - Carlton - Scanlon - Twin Lakes Township MN	\$9,302
City of Golden Valley	A new remote fire station that supports a duty crew staffing model will enhance the delivery of professional emergency response services to all residents, businesses, and visitors to Golden Valley.	Golden Valley MN	\$1,700
J-HAP	To install a multiuse sport court for recreational programming for residents and the community.	Golden Valley MN	\$59
Cook County	Cook County and North Shore Waste are partnering to improve the efficiency and reduce the environmental impact of Cook County's waste management facilities and operations through the Cook County Solid Waste Management Improvement Program.	Grand Marais MN	\$1,493
City of Grand Rapids	The City of Grand Rapids is seeking to build on its plans to deploy an on-demand microtransit transportation service that can help solve transportation challenges and improve the quality of life in the region.	Grand Rapids MN	\$2,000

Minnesota Department of Transportation	The project would be a valuable use of taxpayer funds because it improves safety by removing the unconventional 3-way stop geometry and ensuring safer crossing conditions for pedestrians and bicyclists.	Hanover MN	\$1,020
Hennepin County	This request focuses on funding for the planning, environmental and engineering phase on the re-routed portion of the line with some final design and engineering completed.	Hennepin MN	\$2,000
Phumulani Minnesota African Women against Violence	This project will be the first of its kind to fill the lack of culturally specific housing options for survivors of color, fleeing domestic abuse. Funding will be used for acquisition and rehabilitation of a Minneapolis Four Plex.	Hennepin Co. MN	\$607
City of Hermantown	The City of Hermantown is seeking funding to improve its outdoor spaces. Funding would support the completion of a city-wide, ADA-accessible trail system, improvements to central park, upgrades to the outdoor ice rinks, and better amenities and lighting for the trail, park, and ice rinks.	Hermantown MN	\$6,096
City of Hilltop	This project is building an emergency tornado shelter. Project costs include demolition of the existing City Hall/Tornado Shelter and deconstruction of the current playground and construction of a new shelter that meets ICC-500 storm shelter standards and upgrades to the playground.	Hilltop MN	\$1,000
Mille Lacs Corporate Ventures	The primary focus of the project is to provide greater access to this area for business and commercial use and allow for the creation of an important new economic development zone in the heart of the Mille Lacs Tribal Economy (MLTE), the Hinckley community, and central Pine County.	Hinckley MN	\$3,500
MN Department of Transportation	The Hardwood Creek Regional Trail is a major multiuse trail in Washington County. Funding would close a one-mile gap in the trail. The project will address this key gap in the trail network; provide improved bike and pedestrian access to key points; and connect to neighboring trail networks.	Hugo MN	\$1,500
MN Department of Transportation	The funds would be used to complete the unfinished 8.4 miles of the Cross Range Expressway from east of Taconite to Pengilly, MN. It is the only highway that connects many cities and their estimated 50,000 population from Grand Rapids to Virginia.	Itasca County MN	\$6,000
Housing and Redevelopment Authority of Janesville	Funding would help the Janesville Housing and Redevelopment Authority replace windows in its housing properties. Many of JHRA's properties have windows that are aging and not energy efficient, which could lead to health and safety concerns.	Janesville MN	\$350
Olmsted County	Olmsted County is seeking federal support for a construction project at Oxbow Park in Olmsted County. Funding will be used to reconstruct and improve camping facilities to locations out of a major flood zone at Oxbow Park in Kalmar Township, Olmsted County.	Kalmar Township MN	\$1,633

MN Department of Transportation	This project will address a critical two-lane gap and high number of fatal and severe crashes on a trunk highway route providing east-west regional connection to US Highways 169. A study area has seen seventeen fatal and twelve serious injury crashes in the last ten years.	Kanabec, Mille Lacs, & Benton Counties MN	\$3,000
Dakota County	A new regional household hazardous waste and recycling facility located in Lakeville, MN is needed to serve residents of Dakota and Scott counties to increase participation with an additional convenient location to properly manage waste and recyclables and provide service to underserved areas.	Lakeville MN	\$3,500
Habitat for Humanity of Morrison County	Funding would help HFHMC expand and purchase additional land so more homes can be built for aspiring homeowners.	Little Falls MN	\$500
MN Department of Transportation	The Merriam Junction Regional Trail and Riverbank Stabilization Project will convert 2.2 miles of abandoned rail bed, swampland and shoreline trails to a resilient regional multi-use, accessible destination trail connecting Scott and Carver Counties across the Minnesota River.	Louisville Township MN	\$7,500
MN Department of Transportation	This project will build a Safety Overpass in Mahnommen over a railroad track. Train traffic has disrupted safe passage of vehicles and response time for emergency response vehicles for years.	Mahnomen MN	\$5,500
Minnesota Indian Women's Resource Center	This request would substantially rehabilitate the Minnesota Indian Women's Resource Center's (MIWRC) existing building. Founded in 1984, MIWRC is a non-profit social and mental health impact organization committed to traditional ways of supporting Native women and their families.	Minneapolis MN	\$1,000
Comunidades Organizando el Poder y la Accion Latina (COPAL)	The Latino Center for Community Engagement will feature a gathering space, programming space for civic participation, wellness, economic empowerment, environmental justice, and cultural exchange, and space for partner organizations.	Minneapolis MN	\$2,500
Beacon Interfaith Housing Collaborative	This request is to complete adaptive reuse construction of a new 48-unit housing development, Bimosedaa, in Minneapolis that will serve low-income single adults experiencing homelessness.	Minneapolis MN	\$1,000
Beacon Interfaith Housing Collaborative	If awarded, funding would help rehabilitate three small affordable and supportive housing sites in Minneapolis for low income families, including families with a history of refugee status and youth-led families who have experienced homelessness.	Minneapolis MN	\$3,700
City of Minneapolis	We are seeking targeted funds for the vicinity of E 38th St and Chicago Ave S in south Minneapolis to build wealth for current low and moderate income residents by helping them access, create, and keep affordable housing units.	Minneapolis MN	\$4,000
Cultural Wellness Center	Funds will be used to construct and equip Dreamland on 38th with a job-creating commercial kitchen, flexible event and meeting space, a cultural wellness center, and a co-working space for entrepreneurs & services.	Minneapolis MN	\$3,000

Envision Communities	Envision Community is a nonprofit organization dedicated to addressing housing instability and homelessness in Minneapolis. If awarded, funding would support the construction of micro home communities to help address homelessness in the region.	Minneapolis MN	\$1,200
Lake Street Council	This project will help the LSC support and fund local BIPOC entrepreneurs who are seeking to redevelop or rebuild properties that were damaged during the 2020 uprisings.	Minneapolis MN	\$1,500
Lowry Hill East Neighborhood Association (LHENA)	This project will provide 40 units of affordable housing in a dense and rebuilding neighborhood on multiple transit corridors, while also preserving, expanding, and enhancing affordable commercial space.	Minneapolis MN	\$5,000
Minneapolis Climate Action	The Regional Apprenticeship Training Center has developed new career skills training programming in climate action, clean energy and sustainable technologies, prioritizing recruitment of BIPOC youth and young adults. Funding would support the development of a new facility for these new programs.	Minneapolis MN	\$3,000
Minneapolis Park and Recreation Board	This request would create a rec. and arts building at North Commons Park that will serve the entire Northside. This request would be a first phase of implementation and assumes significant community match. Further federal funds would support core elements of the North Commons Vision.	Minneapolis MN	\$5,000
Minnesota Opera	The Campus Expansion and Improvement Project is aimed at supporting community development through investment in creative enterprise expansion.	Minneapolis MN	\$3,700
Phyllis Wheatley Community Center	This project funds needed renovation and upgrades to enable program expansion to support entrepreneurs in the food service industry.	Minneapolis MN	\$633
Pillsbury United Communities/Pillsbury House + Theatre	Funding will be used for new construction on a new sites to build state of the art media production studios, a new home for KRSM Radio and two artist residency spaces as well as for site preparation and construction of the village square community gathering space.	Minneapolis MN	\$1,000
RS EDEN	This project request is for desperately needed interior improvements to the units at Lorraine, a 50 year old building that has had minor upgrades, and the addition of a playground space for the many children who live at Lorraine.	Minneapolis MN	\$2,200
Sabathani Community Center	To act as a true Community Resiliency Hub SCC must address deferred maintenance due to the lack of funding investment. The requested funding will be used for repairs and renovations to the auditorium, gymnasium, and community room in the 100-year-old SCC building.	Minneapolis MN	\$1,000
Simpson Housing Services, Inc.	The project will provide a much-needed rehab of the property, addressing critical physical needs that have accrued since SHS acquired the property in 2007. The proposed rehab program will ensure that the project remains an affordable housing resource for many years to come.	Minneapolis MN	\$2,700

Artspace Projects, Inc.	Funds would be used toward site improvements and critical infrastructure, more open space and green amenities, greater connectivity to the surrounding neighborhoods with a new bike paths and walking trails, a new street throughway, and additional lighting and security.	Minneapolis MN	\$3,000
Family Tree, Inc. (DBA Family Tree Clinic)	Family Tree Clinic is requesting funds for its capital project supporting Family Tree's new community clinic and education center in Minneapolis. Support would help Family Tree expand access to culturally responsive health care and education to low-income persons on a sliding fee scale.	Minneapolis MN	\$1,500
Guthrie Theater	The Guthrie Theater seeks funding to make necessary updates to its facility including LED lighting. The new lighting is projected to reduce the current energy use for these areas by 40%. It will also make the space more attractive.	Minneapolis MN	\$1,538
Hennepin County	This proposal is for a new emergency shelter that will better serve guests in a safer, more comfortable sleeping layout with six-person rooms versus large, congregate, traditional shelter structure and give outreach workers new spaces to connect with those resistant to shelter.	Minneapolis MN	\$750
Little Earth Residents Association	Funding will provide structural renovations and health code improvements to the Early Learning Center which houses our Childhood Care Program and our Counseling Program and overall property improvements including HVAC, plumbing and electrical repairs.	Minneapolis MN	\$15,000
Somali Artifact and Cultural Museum	This project will ensure that the largest collection of Somali Artifacts in the world are displayed and kept in proper conditions. A new museum project has been granted land and needs enough funding to design and construct a suitable building with proper audio, visual, and temperature technology.	Minneapolis MN	\$5,000
Urban Strategies, Inc.	USI is requesting funding to address physical needs that are considered immediate due to deferred maintenance stemming from years of under-funding. These include addressing the accessibility of the property through concrete and asphalt repairs to the sidewalks and parking lots within the property.	Minneapolis MN	\$6,500
American Indian OIC	This project is to design, construct, furnish and equip a new facility in the Native American Cultural Corridor in south Minneapolis. The facility will provide expanded workforce development services, focusing on education and employment as key determinants of economic independence.	Minneapolis MN	\$1,000
MN Department of Transportation	Ongoing modifications to ADA criteria and guidance has resulted in a large number of pedestrian curb ramps that no longer comply with the ADA Standards. This project includes construction costs related to pedestrian curb ramp construction and signal modifications.	Minneapolis MN	\$5,000
MN Department of Transportation	Metro Transit is requesting funding to support its upcoming H Line Arterial BRT Project, which will enhance public transit service between Downtown Minneapolis and the Sun Ray Transit Center in St. Paul.	Minneapolis MN	\$25,000

Isuroon	Isuroon is requesting project funding to renovate our nonprofit space at 1600 E. Lake Street in South Minneapolis.	Minneapolis MN	\$1,800
Afghan Cultural Society of MN	Afghan Cultural Society of Minnesota (ACS), which serves Afghan refugees and immigrants who fled Afghanistan following its August 2021 collapse, seeks \$2million to acquire and expand its Refugee Support Hub in Minneapolis' Cedar-Riverside neighborhood.	Minneapolis MN	\$2,000
Steven Knutson	Neighborhood HealthSource, a community clinic in North Minneapolis, requests development funds for a health and housing multi-use facility on Lowry Avenue North.	Minneapolis MN	\$250
Avivo	The scope of the project includes a new B3 Certified 43,000 square feet addition to the existing building, to house chemical and mental health, administration, and community support program, remodel of an existing building and ADA and HVAC upgrades to the Community Support building.	Minneapolis MN	\$5,000
Pillsbury United Communities on behalf of Black Women's Wealth Alliance	ZaRah as we imagine it, is an all-inclusive incubator & training hub that targets mid-stage, Black Woman-owned businesses and career professionals.	Minneapolis MN	\$2,000
MN Department of Transportation	EB 3 lane section expansion from Trunk Highway (TH) 25 to County State Aid Highway (CSAH) 18. This project is one of the last steps in completing the six-lane freeway expansion west of the Twin Cities.	Monticello MN	\$3,000
Cass Clay Community Land Trust	Funds will be used towards the costs of developing and constructing a mixed-use commercial land trust building in the Romkey Neighborhood. The building plan includes approximately 8,000 square feet dedicated to child care.	Moorhead MN	\$1,000
MN Department of Transportation	This project consists of constructing a bike/pedestrian bridge across the Red River between Moorhead and Fargo. The bridge will safely connect Moorhead's 14-mile Red River Corridor Trail with Fargo ND's trail system. CDS funds will be used for Moorhead's share of construction.	Moorhead MN	\$4,000
Oasis Central Minnesota	Funding for this project would support the purchase and renovation of a duplex with two apartment spaces that is currently being rented and used as emergency shelter in Morrison County. This site would serve unsheltered families, and occasionally single adults and couples who lack stable housing.	Morrison County MN	\$600
City of New Ulm	The City of New Ulm is proposing the relocation and construction of a new crosswind runway at the New Ulm Municipal Airport (ULM). The crosswind runway is needed to provide the FAA required minimum wind coverage (95%) at ULM.	New Ulm MN	\$2,500
City of North Mankato	The construction of this facility will increase the number and variety of sporting events being offered at those levels, and the City of North Mankato has the staff and experience to successfully manage the facility.	North Mankato MN	\$10,000

MN Department of Transportation	Olmsted County requests funding for construction of an interchange at County State Aid Highway 44 and U.S. Highway 14 and an associated flyover structure at 7th Street NW. Elements include four bridge structures, retaining walls, pavement, lighting, and active transportation facilities.	Olmsted County MN	\$3,000
City of Osseo	This project would enable the City of Osseo to conduct a complete reconstruction and expansion of the City's main downtown park, Boerboom Veterans Memorial Park.	Osseo MN	\$500
United Way of Steele County	United Way of Steele County has identified 10 lots within a currently existing neighborhood, which we would like to build. The funds would be used specifically for land acquisition. We will utilize existing programs to fund the construction of these 10 affordable single family homes.	Owatonna MN	\$300
Minnesota Department of Transportation	This project will create the Vine Street Pedestrian bridge. It will allow for safer crossing for those using Muckle Trail where it crosses bridge street. The pedestrian bridge would limit the danger posed by using the current pedestrian crossing which crosses a road which sees 14,100 cars daily.	Owatonna MN	\$1,500
Heartland Lakes Development Commission	Nearly 50% of all the housing units are rental properties and there are virtually no vacant lots to support new housing construction. Employers are reporting that once an individual is selected to fill a position, they often turn it down because they are not able to find suitable housing.	Park Rapids MN	\$3,111
MN Department of Transportation	County State Aid Highway 6 is a key interregional corridor in northwest Minnesota. Near the city of Nelson Lake, the roadway is prone to flooding, which has become a problem for residents in the area. Funding would be used to reconstruct and raise the highway to prevent future flooding.	Parkers Prairie Township MN	\$3,350
Pine City Housing and Redevelopment Authority	Hillside Court is a thirty-four unit apartment complex supported by HUD Public Housing. Funds would be used for foundation repair and grading for drainage and sidewalk replacement.	Pine City MN	\$450
Minnesota Department of Transportation	Due to the bridge approaching 50 years of age and the cost of rehabilitation, replacement has been chosen.	Pine City MN	\$2,800
Minnesota Department of Transportation	The funding would be used for the construction of a 0.85-mile multi-use trail segment along the west side of MnDOT Trunk Highway (TH) 13 in the City of Prior Lake.	Prior Lake MN	\$1,000
Breaking Free	Breaking Free is applying for funding for the down payment to purchase apartment buildings to provide Permanent Supportive housing services to our clients who are survivors of sexual exploitation. We currently master lease our apartment buildings.	Ramsey Co. MN	\$1,300
MN Department of Transportation	The project will complete and enhance the Mississippi River Greenway as a major recreational amenity serving a diverse population. The greenway will connect communities, parks, schools, employers, and natural areas along the river.	Ramsey, Dakota Counties MN	\$2,500

Red Wing Housing and Redevelopment Authority	The proposed project includes replacing heating source, replace windows, and replace sidewalk area of the triplex houses. The current heating sources is electric baseboard and the windows are failing and some do not open properly.	Red Wing MN	\$175
Housing & Redevelopment Authority of Redwood Falls	Funds will be used to remove the current asphalt and islands, re-slope the parking lot, move the entrance and exit, resurface and restripe the parking lot, and adding additional handicap spots.	Redwood Falls MN	\$100
City of Redwood Falls	Runway 12/30 full depth reclamation & lighting system upgrade to LED; Including parallel taxiway and apron reclamation with taxiway A2 relocation.	Redwood Falls MN	\$4,500
MN Department of Transportation	Rice County Highway No. 4 provides a direct 4.5-mile connection from Lonsdale to Minnesota State Highways No. 21 and No. 99 in western rural Rice County. The existing road is programmed for rehabilitation in 2024, and funding will allow for a 50-year design life utilizing a concrete pavement.	Rice County MN	\$3,000
MN Department of Transportation	This project is a frontage road that would create an avenue for economic development in the community. The road would connect two main county roads and provide additional access to prime commercial properties.	Rice Lake MN	\$4,575
Three Rivers Park District	Sochacki Park is a 65-acre park in Robbinsdale and Golden Valley. This project focuses on improving water quality in the ponds, development of an environmental education classroom shelter, and development of a boardwalk network to create visitor access for viewing and exploring the ponds.	Robbinsdale MN	\$2,500
