May 9, 2025

The Honorable Jeanne Shaheen
Chair
Senate Appropriations Subcommittee on
Commerce, Justice, Science, and Related
Agencies
Washington, DC 20510

The Honorable Jerry Moran
Ranking Member
Senate Appropriations Subcommittee on
Commerce, Justice, Science, and Related
Agencies
Washington, DC 20510

Dear Chair Shaheen and Ranking Member Moran:

As you consider funding levels for the Fiscal Year (FY) 2025 Commerce, Justice, Science, and Related Agencies appropriations bill, I respectfully request that you include the following program funding levels:

Special Tribal Criminal Jurisdiction

Agency: Department of Justice
Account: Office of Violence Against Women
Program/Activity: Special Tribal Criminal Jurisdiction
Members FY 2025 Request: \$25 million
Presidents FY 2025 Request: \$25 million
Enacted FY 2024 Amount: \$11 million

According to the National Institute of Justice, 56% of Native American women and more than one in four Native men have experienced sexual violence in their lifetimes. And among those, 96% of women and 89% of men were victimized by a non-Native offender. Very few survivors ever see justice. This program aims to help survivors of sexual violence by allowing Tribes to prosecute cases of sexual violence, domestic and dating violence, sex trafficking, stalking, and obstruction of justice related to these crimes committed by non-Native perpetrators.

Tribal Law Enforcement

Agency: Department of Justice
Account: Community Oriented Policing Services
Program/Activity: Tribal Resources Grant Program
Member's FY 2025 Request: \$40 million
President's FY 2025: \$37 million
Enacted FY 2024 Amount: \$37 million

Throughout Indian Country, violent crime is a serious concern, including on Minnesota's extensive Tribal lands. The Justice Department's National Crime Victimization Survey estimated that American Indians experience almost twice as much violence as does the general population. The Tribal Law Enforcement program provides essential training and resources for Tribal law enforcement entities.

Sexual Assault Services Program

Agency: Department of Justice

United States Senate
WASHINGTON, DC 20510-2310

Account: Office of Violence Against Women
Program/Activity: Sexual Assault Services Program
Members FY 2025 Request: \$100 million
President's FY 2025 Request: \$90 million
Enacted FY 2024 Amount: \$78.5 million

The Sexual Assault Services program assists states and territories, Tribes, and non-profit organizations in serving victims of sexual violence. Grantees provide intervention and other critical support services. Victim services organizations in Minnesota rely on these funds to prevent and address sexual assault in the state.

Transitional Housing Assistance Program

Agency: Department of Justice
Account: Office of Violence Against Women
Program/Activity: Transitional Housing Assistance Program
Members FY 2025 Request: \$98 million
Presidents FY 2025 Request: \$55 million
Enacted FY 2024 Amount: \$50 million

There is an undeniable link between domestic violence and homelessness. By one account, about 40% of women who experience domestic violence will become homeless as some point in their lives. The COVID-19 pandemic only intensified this issue, as many women were trapped at home with abusers. In Minnesota, nearly one third of homeless women have experienced domestic or sexual violence. This program funds transitional housing programs, which provide a safe place to stay for women fleeing domestic violence.

I appreciate your consideration of this request. Should any questions arise, please do not hesitate to contact me, or Samantha Marcy on my staff at (202) 224-1031 or samantha_marcy@smith.senate.gov.

Sincerely

Tina Smith
United States Senator
