Congressionally Directed Spending Requests**

Recipient Name	Project Purpose	Project Location	Amount Requested (\$000)
City of Burnsville	The funding would be used to replace an over 20 year old Public Safety Mobile Command Post (MCP) vehicle. The MCP is used regionally to support public safety operations during large scale or high risk incidents.	Burnsville MN	\$2,200
City of Carver	The purpose of this project is to rebuild the Carver river levee system to FEMA and US Army Corps of Engineers standards to protect historic downtown Carver from flood damages.	Carver MN	\$3,350
Oslo Region Joint Powers Board	"For an 8-minute video summary of the project, please see fixtheflood.org This project includes replacing 2 bridges at Oslo, MN and other earthworks in order to reduce the frequency and intensity of flooding that inundates highways, railroads, farmland and the City of Oslo."	Oslo MN	\$17,998
City of Rogers	This project involves the construction of a new Emergency Operations Center that will also house training elements within the planned Rogers Police Department, a new 36,000-square-foot Public Safety Facility	Rogers MN	\$7,000
Minnesota Department of Transportation	This project would address flood mitigation as a part of a road construction project.	Sartell MN	\$9,000
City of Worthington	The proposed flood mitigation project will reduce the flooding impacts to properties within the 100-year floodplain by improving storage capacity and system conveyance in this critical area. This mitigation effort will impact a disadvantaged population in a highly flood-prone area.	Worthington MN	\$2,880
